

English Language!

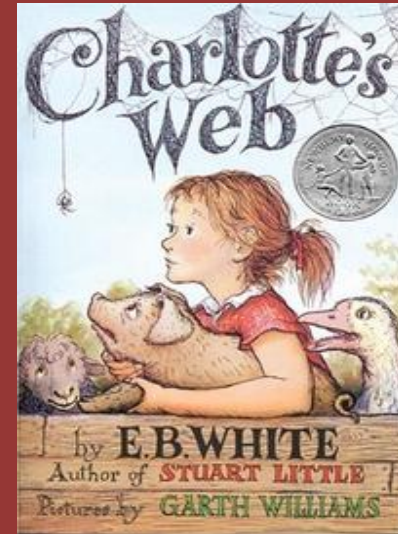

3rd Grade

August – September 2012

Hello! My name is Miss Daniela Mujica.

Welcome to Third Grade! This year in Language Arts and Reading we will be reading some great books. We will have many fun activities and projects to work on throughout the school year.

We will begin this school year with our summer reading book Charlotte's Web.

This marking period we will be reviewing short vowels and CVC patterns. We will also be learning about long vowels with silent e and the letter Y. We will be learning about different writings such as descriptive and narrative writing and will be learning about different types of nouns.

Elementary Principal: Soraya Gonzalez

English Language Coordinator: Soraya Gonzalez
