

**Extra work for
champions:**

Look at the picture below.
What challenges do you
think this child met? What
do you think they did to
meet this challenge?

Meeting Challenges

The Big Question:

-Meeting Challenges-
All of us have challenges at times.
How can people meet challenges?
Think about your own life. What
challenge have you faces? What did
you do to meet that challenge?

Family Activity:

You can help your child learn more
about challenges. Talk to your child
about someone who meets
challenges. Either here, in the United
States or in the country of your origin.
Be sure to talk about:

- The person's background
- What the person did to meet the
challenge

English Language Objectives

- Identify Word Families
- Recognize sensory adjectives
- Identify prefixes and suffixes
- Recognize long vowel pairs

Become a better reader!

- Read for 15 minutes every day
- Look for hard words before you read. Try to figure out what the word means. This will make reading easier.
- Visit your library to find new books!

Practice at home!

While reading a story, think about the events that are taking place and use this graphic organizer to retell the story.

Reading Objectives:

Students will practice reading and their comprehension skills in class. Such as identifying conflicts, problems and solutions and identifying events in a plot. They will apply all of these in class everyday and will practice reading words in context.
