

# 6<sup>th</sup> Grade Regular English Language

“Facing Challenges Means Trying to Achieve Something Even if it Might Lead to Failure.”

This marking period, our class will be studying challenges. We will be discussing the question “What are the benefits of facing challenges?” We will explore the dangers that runaway slaves faced while traveling to freedom on the Underground Railroad. We will read a story about the challenges that a young Chinese girl faces after moving to the United States. We will discover the struggles that scientists faced determining the cause of yellow fever epidemics. We will read *How to Train Your Dragon*. And finally, we will read the story of a boy who must learn to survive in the Canadian wilderness.
