Section for Parents/Guardians and Students

As a member of the Colegio Bilingüe New Horizons Community and the Father/Mother/Guardian of a student, I confirm that I have read and discussed with my son/daughter, who has understood the content of the Parents and Students Guide, the Honor Code and Discipline Code for Students of the CBNH, published in our website: www.newhorizons.edu.do. Therefore, I accept the norms established by the Institution and I commit myself to encourage my son/daughter to achieve the values that are promoted in these documents.

It is my responsibility as Father/Mother/Guardian, jointly with the School, to educate and to promote the values and principles that will transform my son/daughter into a dignified person with moral values and an integral education, which in turn will contribute to form a valuable human being for our society.

In addition, I recognize that my son/daughter must fulfill the regulations established in the Parent(s) and Student Guide, Honor Code, as well as the Discipline Code of the Institution. I understand the conduct that must be observed and similarly, the sanctions that will apply in the case of committing any of the faults addressed in the Discipline Code.
