The Jazz Age

The literature in the 1920's is strongly influenced by the political, musical, and social changes in the United States. As we read *The Great Gatsby* we will also study the influences in dance, fashion, and poetry as they are main focuses in the novel.

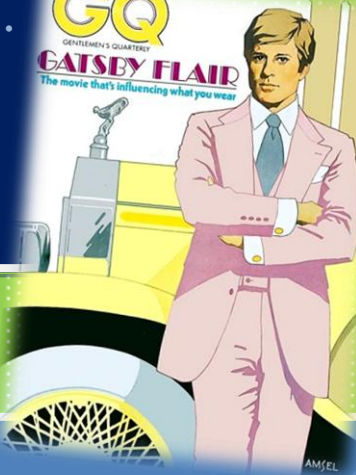

"So we beat on,
boats against the
current, borne
back ceaselessly
into the past."

- F. Scott

Fitzgerald, *The Great
Gatsby*
