

All About Family

Extra work at home!
Draw a picture of your
and your family and write
a story to go with it! Bring
it into the classroom to
hang up for all your
friends to see!

This month we will be talking about fall and what we are thankful for. We will be talking about our family and hopefully be spending time with some family members here in the classroom to celebrate family month!

Family Activity:

This month we will be celebrating family month here at New Horizons! If parents, grandparents or any family member would like to come in to help out in the classroom with activities or read a story with us, you are more than welcome to join us anytime!

English Language Objectives:

- Identify how to make nouns into plural nouns.
- Practice using long vowel pairs.
- Identify prefixes, suffixes and base words.
- Recognize different verb forms.

Become a better reader!

- Read for at least 15 minutes everyday!
- Create a picture in your head while you are reading to better understand the story.
- Find some new and exciting books to read with your

family!
**Practice
at
home!**

While reading a story, think about the what is happening. Notice the problems in the story and how they are solved.

Reading Objectives:

Students will continue working with reading comprehension. We will discuss how to visualize while we read to better understand. We will also be using context clues to figure out what difficult words mean. We will be doing this with different activities in the classroom.
