

7th Grade English Language Arts

October and November
Colegio Bilingüe New Horizons

Teacher: Heidi Kuchenbaur
Coordinator: Liza Quiñones
Principal: Gina Rubio

My name is Heidi Kuchenbaur and I will be taking over your child's English Language Arts classes. I am so excited to help your child learn and grow this year.

This marking period your child will be reading the novel Bridge to Terabithia by Katherine Paterson. Bridge to Terabithia is a novel about two children, Jess Aarons and Leslie Burke who become friends and create a fantasy magical kingdom in the woods near their home. The two children name this kingdom, Terabithia. The novel is about the friendship the two children share and the adventures which happen to them in Terabithia.

What are we doing in class?

The unit for this marking period is: How are growth and change related?

We will be learning about ways in which things grow and change. First, we will be reading about how seeds grow and change. Then we will apply our knowledge of growth and change to read about young Americans growing and moving.

Also, we will practice narrative writing. Narrative writing tells a story. We will be practicing this style of writing throughout the marking period.
